

M. S. PATEL DEPARTMENT OF CIVIL ENGINEERING

"CHARUSAT is Indeed a Golden Truth."

Shri Narendra Modi (Former Chief Minister of Gujarat)

"I am happy to know that CHARUSAT has a goal set for mission of social upliftment with components of knowledge acquisition and imparting education."

Dr. A. P. J. Abdul Kalam (Former President of India)

"Home", the best protection against COVID-19, is made by Civil Engineers.

M. S. PATEL DEPARTMENT OF CIVIL ENGINEERING

Chandubhai S. Patel Institute of Technology (CSPIT)

- Patronized by M. B. Group – a well known Civil Engineering conglomerate
- Highly distinguished faculty members
- State-of-the-art laboratories
- An innovative, flexible and adaptable curriculum that prepares our graduates to keep up with the rapidly evolving modern technologies in the field of Civil Engineering

Programmes Offered

- B. Tech. (Civil Engineering)
- B. Tech. in Civil Engineering with Minor Specialization in Artificial Intelligence & Machine Learning
- B.Tech. (Hons.) in Civil Engineering with Specialization in GIS and Remote Sensing, 3D Printing, Green Technology and Sustainability Engineering, Environmental Geotechnology, and Smart Cities.
- M. Tech. (Structural Engineering)
- Ph. D. (Civil Engineering)

Teaching Methodologies & Learning

- ICT Based Teaching Methodologies
- Group/Team and Project Based Activities
- Industry Exposure Through Field Trips and Hands-on Summer Internships
- Expert Talks, Workshops, Seminars, Model Exhibitions, Poster Presentations, Short Term Training Programs, etc.
- Online Video Lecture and Counselling
- Choice Based Flexible and Student-Centric Learning

	1150+ Total Number of Pass-out Students	Companies for Internship & Placement 100+	20 Faculty Members	
		120 Acres Lush Green Campus	1150 Mbps Wi-Fi 24x7	
₹ 10 LAKHS Highest Package Offered	Training of Latest Software Used in Civil Engineering Industries	34,530 sq.m Area for Sports Activities	ICT Enabled Classrooms	19 State of The Art Laboratories

"The road to success is always under construction"

WHY CIVIL ENGINEERING?

Key Role in Society Building

Wealthy Job Options in Government and Private Sectors

Ample Opportunities for Higher Studies in India & Abroad

Heavy Investments and Growth in Infrastructure in forthcoming years

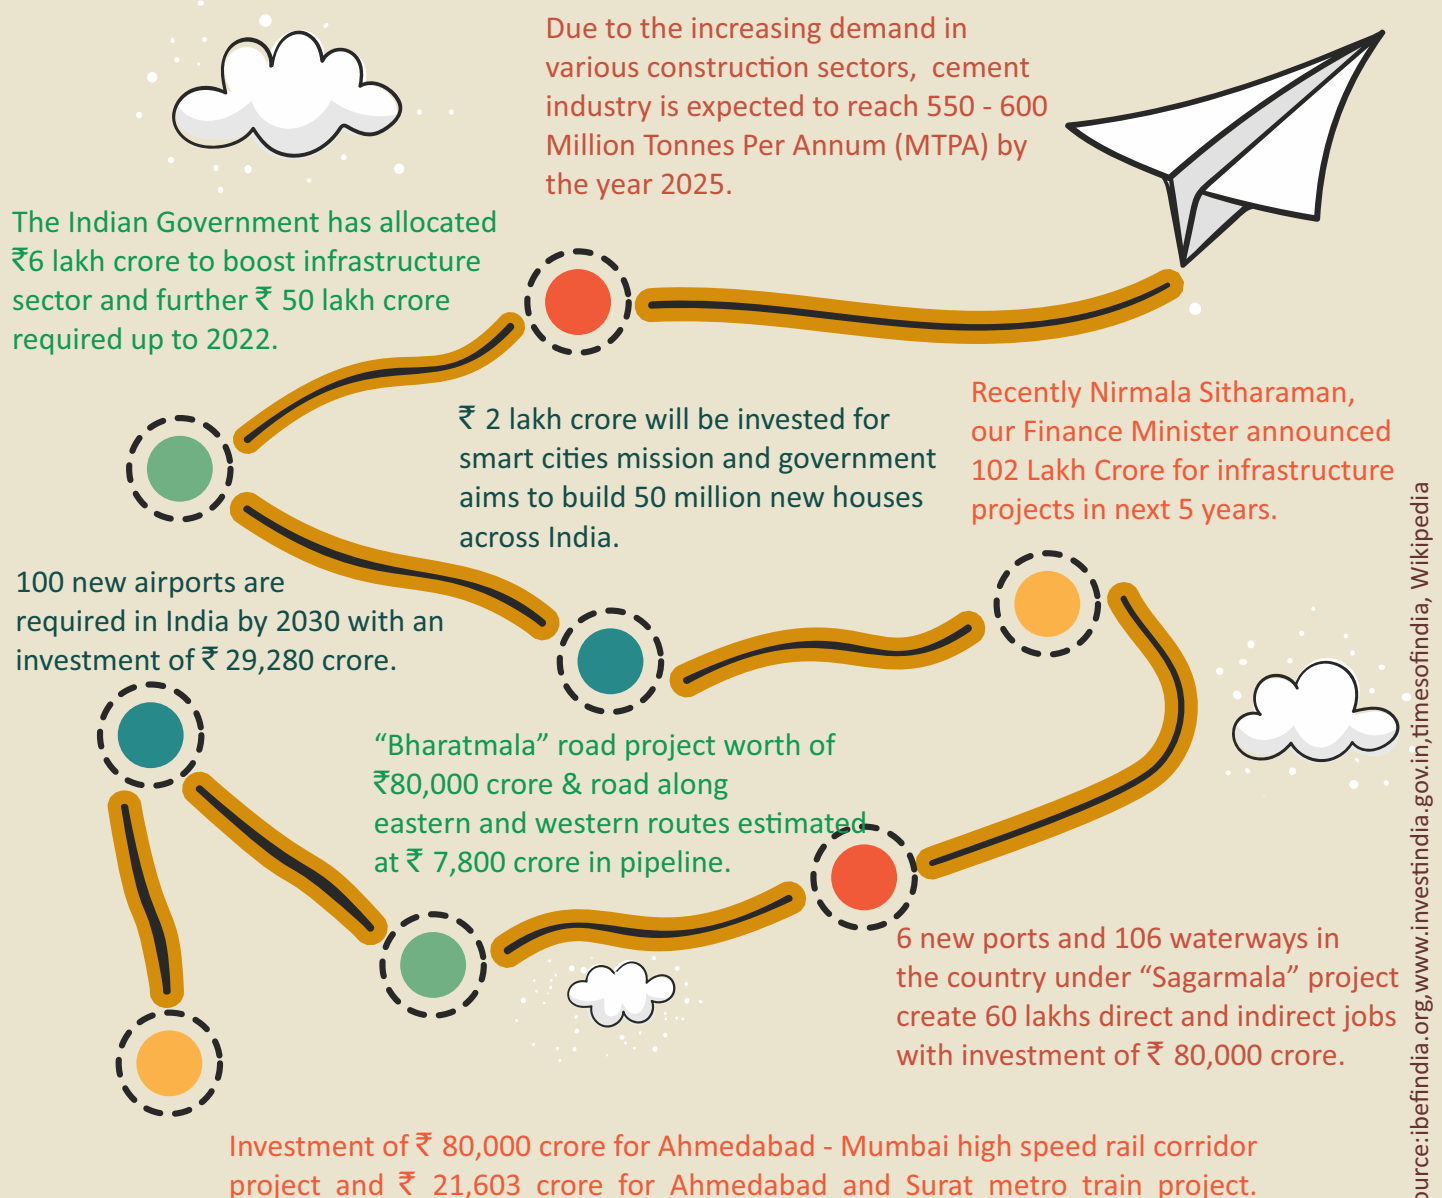

Number of Postgraduate Opportunities in India & Abroad

Important and Core Field of Engineering

Ample Entrepreneurial Opportunities

KEY PROJECTS & INVESTMENTS IN CONSTRUCTION INDUSTRY

“Failure is success if we learn from it”

WHY STUDY AT CHARUSAT?

- In the year 2021, **CHARUSAT** has been ranked in 150-200 band among universities in India by NIRF
- **CHARUSAT** is established as per Section 2(f) of the UGC Act, 1956

- **CHARUSAT** is Accredited with Grade "A" by NAAC, Government of India
- CSPIT of **CHARUSAT** has received 4star rating in GSIRF 2021 ranking instituted by Knowledge Consortium of Gujarat (KCG)

WHY CIVIL ENGINEERING AT CHARUSAT?

INFRASTRUCTURE FACILITIES

- All classrooms are air conditioned & ICT enabled
- Computer laboratories equipped with state of the art software
- 24*7 CCTV surveillance in classrooms & laboratories

CAREER DEVELOPMENT & PLACEMENT CELL

- Students are prepared for campus selection by conducting mock tests, interviews & resume building
- Guidance for Higher Education
- Foreign Universities coming to CHARUSAT Campus
- Incubation for budding entrepreneurs

INDUSTRIAL VISITS

- Regular field visits to co-relate practical aspect with theories
- University supports for the Industry visits

FACULTY STRENGTH

- Dedicated and Experience Faculty members having degrees of M.E / M.Tech and Ph.D from IITs, NITs & various reputed Universities

EXPERT TALKS

- National, International level workshops, Conferences & STTPs sponsored by GUJCOST, ISTE, DST, AICTE are organized
- Speakers from industries & Prominent institutions are invited for expert talks and endowment chair activities

LABORATORIES

- 19 state of the art laboratories
- Total Investment of more than ₹ 3 Crores
- Prototype models and charts
- NABL accredited & GPCB recognized Environmental Engineering Laboratory

"Take the best that exists & make it better"

WHY CIVIL ENGINEERING AT CHARUSAT?

INTERNSHIPS

- Students undergo 21 weeks internship
- Student are helped for training at TATA steel, Bakeri and many other reputed companies

HOSTEL

- Hostel accommodation is available with mess facilities for girl students inside the campus & for boys outside the campus

CAFETERIA

- Outlets of Nescafe, Iceberg, Danny's, Hotel H & other refreshment facilities are available within campus

IT/E-RESOURCES

- CHARUSAT has free access to reputed journal like Science Direct, American Society of Civil Engineers (ASCE), etc.
- Student & researcher can access it through 24*7 wifi connectivity (1150 Mbps)

SCHOLARSHIPS

- CHARUSAT provides merit based Scholarships
- Financial aid for short-term duration program at foreign University up to ₹ 1.50 lakh under CHARUSAT International Scholarship Scheme (CISS)
- CHARUSAT facilitates all the Government Scholarship Schemes

ONLINE COURSES

- Online platform like NPTEL, MOOCS, SWAYAM, Youth4work & many more is provided to students for better exposure

MEDICAL FACILITIES

- Health check-up are arranged for each student every year
- Students are provided with all medical facilities for the entire duration of the programme

SPORTS

- CHARUSAT has playgrounds & courts for Cricket, Football, Basketball, Badminton and Volleyball
- It also has facilities for indoor games like carom board, chess, table tennis, etc.

COUNSELLING

- Students are Counselling in the areas of Academic, Social & Personal matters through designated faculty members & Student Wellness Program assisted by clinical Psychologist

Environment Audit and Consultancy Projects

Gives opportunity to students to work on
Live Projects under the guidance of faculty members

“For the first time in the state, Changa - based CHARUSAT has introduced paperless Digital Examination system as a part of University examination reform programme”

“Scientists study the world as it; Engineers Create the world that has never been”

REFLECTIONS FROM ALUMNI

(Graduated: Batch - 2018)

Himanshu Jain

Consultant, Business Consulting,
Transformation, KPMG

"CHARUSAT is a place which gave me the friends for life!. A place which built my capacity to deal with the professional world. It really helped me to go forward in my career. So not just academically, but overall CHARUSAT helped me to shape my personality and helped me to develop as better person..."

(Graduated: Batch - 2019)

Poojan Khakhar

Masters Degree from
Deakin University,
Australia & Civil
Engineer, Keystone Civil

"CHARUSAT has really shaped my personality & helped me grow as a individual. I am thankful to my teachers for sharing their knowledge with me & for putting a great amount of effort to ensure that the student got the right education"

(Graduated: Batch - 2020)

Jay Goswami

Associate Project Coordinator,
Vyom consultants,
Vadodara, Gujarat

"Civil Engineering Department has developed perfect course structure & training for various competitive examinations that had really helped me to achieve my dream to get job in government sector"

(Graduated: Batch - 2021)

Suresh Jethwani

Junior Engineer, Geo Designs
& Research Pvt. Ltd., Junagadh,
Gujarat, India

"Various cultural & technical programmes of CHARUSAT opened many avenues for me as an individual to get a different and diverse exposure. It has not only helped me showcase my talent on such an enormous platform but it also did help me in becoming a confident and a pro-active person..."

Reflections from International Students

Dipa Khatri

B.Tech Civil Engineering at CHARUSAT
(-Nepal)

CHARUSAT helps you discover yourself. I was astonished to see different facets and experiences, explored though my deep, hidden self. I believe that CHARUSAT is definitely a place for students like us who looking for quality education with the warmth of unmatched hospitality.

Umesh Rana

B.Tech Civil Engineering at CHARUSAT
(-Nepal)

From my school days, I wanted to be a Civil Engineer. CHARUSAT is a rapidly progressing University with a Strong dedication to excellence & giving innovative knowledge to the students. So, Now I am here with you all.

Neha Sakshi Karn

B.Tech Civil Engineering at CHARUSAT
(-Nepal)

When I joined CHARUSAT I was really impressed by its infrastructure. The lush green environment, pollution free campus, perfectly prepared material for studies & versatile faculty members were a major take-away. CHARUSAT is more than academics. It has given me confidence step into the real world.

Niraj Saru

B.Tech Civil Engineering at CHARUSAT
(-Nepal)

After an enriching educational experience here, I can say that CHARUSAT is one of the best institutions to study at. The campus here is sublime with natural beauty & serenity. There are regular events like Spoural & Cognizance that help students gain confidence & on-ground experience. I would like to thank CHARUSAT for giving me an opportunity to nurture myself to full potential.

"Strive for Perfection in everything you do"

LIFE AT CHARUSAT

"The roots of Education are bitter, but the fruit is sweet"

DEPARTMENT ACHIEVEMENTS

- Environmental Engineering Laboratory (NABL Accredited Laboratory, ISO/IEC 17025:2017) is recognized as a Schedule-I Environmental Auditor by the Gujarat Pollution Control Board (GPCB), Gandhinagar.
- Faculty members have published research papers in reputed national and international Journals and Conferences.
- Faculty members are involved in various consultancies and research projects funded by Government agencies.
- The Department has signed MoU with various industries to train students & faculty members.
- Environment Engineering, Concrete Testing & Material Testing Laboratories have generated revenue of more than ₹55 lakhs through consultancy work.
- Civil Engineering Department is Winner of Spoural 2020, a University level event. The prominent researchers of foreign Universities visited the Department under the Endowment Chair Activity.
- Mr. Bhargav Shobhana, Assistant Professor, has received grant from DST-SERB, GoI for R & D work on Earthquake Engineering.
- Dr. V. R. Panchal Professor and Head of the Department has been nominated as Expert Member of the Board of Studies at B. V. M. College of Engineering, V. V. Nagar by Gujarat Technological University and a Member of Faculty Level Research Committee at the M. S. University of Baroda, Vadodara

Signed MoU with

MoUs and endowment chair activity:

- Gujarat Institute of Disaster Management (GIDM), Gandhinagar, Gujarat, India, and
- Center for Environment and Education (CEE), Ahmedabad, Gujarat, India

Prof. Venkatesh Kodur
Michigan State University, USA

Prof. Abhijit Mukherjee
Curtin University, Australia

Dr. Ubagaram Johnson Alengaram
University of Malaya, Kuala Lumpur, Malaysia

Dr. Vasant Matsagar
Indian Institute of Technology, Delhi
