

Faculty Strengths and Achievements

- The institute comprises dedicated, faithful and experienced staff members with adequate qualifications from various reputed institutions.
- Staff has also cleared various entrance exams like UGC-NET and GATE and are Gold Medalist from reputed universities.
- The majority of staff members are pursuing Ph.D.
- Faculty members of the IT department are having average 6.5+ years of experience.
- All the staff members are involved in active participation in various professional bodies like ACM, CSI and IEEE.
- Staff undergo industrial training in summer vacation to enhance their technical and practical knowledge.
- Few staff members have received the best research paper award.

Students' Activities and Achievements

- Deep Thakkar (Batch 2019-2023) has won "ORIGINATE" - DIGITAL INNOVATION HACKATHON.
- Dalwadi Jayati (Batch 2019-2023) acclaimed Young Women Achievers Award – 2020.
- Mahek Master (Batch 2017 -2021) presented a research paper in the 11th International Conference on Ambient Systems, Networks and Technologies (ANT-2020), Warsaw, Poland" with the title "Smart Wall Clock with an Electric Eye".

Student-Centric Support

- Industrial visits are planned for the students twice a year to make them aware of the industrial environment.
- Students are provided support to prepare and appear for various competitive exams, like TOEFL, GRE, GATE, CAT, IELTS.
- Outdoor and indoor Sports and Gymnasium facilities available in the campus.
- There is a Women Development Cell for encouraging women empowerment.
- Activities are conducted with the support of the Alumni Association and Parent-Teacher Association.
- A health checkup once a year is scheduled in association with CHARUSAT Healthcare and Research Foundation (CHRF).
- The University and Institute organize technical and non-technical festivals like SPOURAL and Cognizance respectively for the holistic development of the students.
- Students are provided with an opportunity to avail UG Student Fellowship (UGSF) under the supervision of staff members.

PROFESSIONAL SOCIETY CHAPTERS AND STUDENTS BRANCHES

INDUSTRY RECOGNIZED CERTIFICATION COURSES

Academy

Research Domains

1. Data Science
2. Artificial Intelligence/Machine Learning/Deep Learning
3. Image Processing
4. Internet of Things (IoT)
5. Advanced Computing (Cloud/Fog/Distributed and Parallel)
6. Information Security (Blockchain/Network & Cyber Security/Cryptography)
7. Augmented Reality & Virtual Reality

Opportunities in IT Engineering

- | | |
|--------------------------------|---------------------------|
| 1. Information Systems Manager | 10. Social media manager |
| 2. Application Developer | 11. Software engineer |
| 3. Game Developer | 12. Network engineer |
| 4. Database Administrator | 13. Digital Copywrite |
| 5. System Analyst | 14. SEO specialist |
| 6. IT Consultant | 15. Data analyst |
| 7. Technical Author | 16. Web designer |
| 8. Application Analyst | 17. Web Content manager |
| 9. IT Sales Professionals | 18. Multimedia programmer |

Opportunities of IT Engineering in Government Sectors

1. Union Public Service Commission (UPSC)
2. Gujarat Public Service Commission (GPSC)
3. Bank IT Professionals
4. Indian Army

About Devang Patel Institute of Advance Technology and Research (DEPSTAR)

Devang Patel Institute of Advance Technology and Research (DEPSTAR) is a constituent of CHARUSAT. The institute is managed through a think tank of technocrats, administrators, scientists and engineers, educationalists, businessman, stakeholders and other well-wishers from all parts of the world. DEPSTAR is patronized by IPCO Industries, headed by Philanthropist and Industrialist Shri Devang Patel. The institute envisions being a forerunner in teaching and research in advanced technologies. For this in years to come, it will be an institute with advanced Infrastructure, distinguished staff, networking with global Institutes and Implementing the most modern processes.

Vision

"To be known as leading institute in the education and research by imparting knowledge which meets the requirements of digital age."

Mission

"To engender globally competent engineers for the betterment of society."

Why Choose Information Technology Engineering?

In a world that is consistently getting more and more defined by technology, the demand for the people with the ability to know about computer science has increased exponentially. IT is where most of the technologies that have become so intrinsically tied to our day to day lives have been born, and the more people there are that can be working in mastering the art of this science, the more innovations can be seen and created in the world of technology.

Some reasons that could push you over the edge

Plenty of job opportunities everywhere

A very diverse field

An innovative career fields

Several IT careers have high earning potential

Vision

"To become a leading department for quality education, research and development in the field of Information Technology."

Mission

"The Department of Information Technology is committed:

1. To prepare next-generation technocrats for societal upliftment.
2. To inculcate moral and ethical values in the students for building vibrant nation."

Bachelor of Technology (B. Tech) Program

Information Technology

60 Seats

TEACHING AND LEARNING METHODOLOGIES

- Modern and Global Curriculum
- CBCS (Choice Based Credit System)
- Research-Based Learning
- Student-Centric Learning
- ICT Based Learning
- Group/Team Learning
- Peer to Peer Learning
- Project-Based Learning
- e-Learning
- Blended Learning
- Collaborative Learning

INFRASTRUCTURE

CHARUSAT Sophos Information Security Lab

- 2 High End HP Servers –Dell ProLiant 390
- 3 Manageable Switch and 5 LED TVs.

Mobile Application Lab (MAC LAB)

Seminar Halls/Auditorium

Augmented Reality and Virtual Reality Lab

- zSpace display: 24 inch HD LCD (1080p/120Hz) with built-in tracking sensors.
- Stylus with 3-buttons and integrated infrared LED.
- Polarized passive eyewear.

Anita Devang Patel Ipcowala Center of Excellence in Artificial Intelligence (ADPICoE(AI))

- NVIDIA DGX Station A100 (160 GB GPU)
- 4 NVIDIA Workstation 12/16 GB GPU.
- 10 NVIDIA Jetson nano developer kit and 5 drones.

Glimpses of Students' & Participation in Sports, Cultural & Other extra-curricular activities:

ALUMNI TESTIMONIALS

Nisarg Parekh
(Alumni, DEPSTAR)
M.tech, IIT-Hyderabad.

"Devang Patel Institute of Advance Technology and Research (DEPSTAR) itself is now a brand and I am still connected with it. DEPSTAR nurtured me with care and compassion. The faculty support was over & beyond limits with a selfless aim of molding the students into perfection."

Satvik Padhiyar
(Alumni, DEPSTAR)
M.tech, IIT-Hyderabad.

"The 4 years of precious time spent with DEPSTAR, CHARUSAT was the best time I had ever lived and each moment spent in the lush green CHARUSAT campus is still priceless. The knowledge and transformation I achieved with this institute is the only reason I find ourselves successful today in grabbing admission at IIT-Hyderabad."

We are preparing the students for the challenges of today & tomorrow through career skills & behavior training.
