Department of Electrical Engineering

LABORATORY PLANNING

Name of Faculty: **Mihir Mehta**

Name of Subject with Code No.: **EE406.01 Electrical Machines Design II**

Semester: **8th semester**

ACY: 2018-2019

Duration: December 2018 to May 2019

Sr. No.	Name of Experiment.
1.	Induction Machines Components
2.	Main Dimensions, Stator Design (Induction Machine Design)
3.	Rotor Design (Induction Machine Design)
4.	Performance Evaluation (Induction Machine Design)
5.	Complete Design of Three Phase Induction Motor
6.	Synchronous Machines Components
7.	Main Dimension, Armature Design (Synchronous Machine Design)
8.	Design of Field System (Synchronous Machine Design)
9.	Magnetic Circuit and Performance Evaluation (Synchronous Machine Design)
10.	Complete Design of Synchronous Machine
11.	Flow Chart for Computer Aided Design of Electrical Machines
12.	Program for computer Aided Design of Electrical Machines
