

CHAROTAR UNIVERSITY OF SCIENCE & TECHNOLOGY

FACULTY OF TECHNOLOGY & ENGINEERING

SMT. KUNDANBEN DINSHA PATEL DEPARTMENT OF INFORMATION TECHNOLOGY

ACADEMIC YEAR: 2019-20

Lesson Planning

Name of Teacher: Ms. Sonal Pravinbhai Rami

Date: 24/06/2019

Course code & Name: IT374–Python Programming (5thsem)

Month	Week	Plan Date	Actual Date	TOPICS	Remarks
June-July	24-29	27-06		Applications of Python Programming	
		28-06		History of Python, Python Features, History of Python, Python Features,	
	1-6	04-07		Python - Environment Setup	
		05-07		Local Environment Setup, Installing Python, Setting up PATH, Python Environment Variables	
	8-13	11-07		Operators , I/O , control structures	
		12-07		Types of Operator, Input function, If, If..else and nested if.	
	15-20	18-07		Basic Data types	
		19-07		Dynamic method dispatch, abstract classes, Using final with Inheritance, Using Package: Defining package, Finding package and CLASSPATH, Access protection,	
July-Aug	29-03	01-08		Importing package, Interface: Defining Interface, Implementing Interface, Variables in Interface	
		02-08		List and Dictionaries	
	05-10	08-08		Accessing Values in Lists, Updating Lists, Delete List Elements, Basic List Operations	
		09-08		Accessing Values in Lists, Updating Lists, Delete List Elements, Basic List Operations	
	12-17	15-08		Independence day & Rakhi	
		16-08		Dictionary methods	
	19-24	22-08		Dictionary methods	
		23-08		Set Data structure	
Aug-Sep	26-31	23-08		Set operations and built-in methods	
		23-08		Set operations and built-in methods	

CHAROTAR UNIVERSITY OF SCIENCE & TECHNOLOGY

FACULTY OF TECHNOLOGY & ENGINEERING

SMT. KUNDANBEN DINSHA PATEL DEPARTMENT OF INFORMATION TECHNOLOGY

ACADEMIC YEAR: 2019-20

		23-08		Tuple data structures	
		23-08		Tuple built-in functions	
				<u>02/09/2019 1stSessional Exam</u>	
	01-07	05-09		<u>1stSessional Exam Paper solution</u>	
		06-09		Functions	
		06-09		Introduction to Annotation, Byte streams and character streams, Wrapper classes	
	09-14	12-09		Lambda Expression Syntax, Where to use lambda expression, Adopting Patterns like matching, finding and filtering,	
		13-09		Lambda Expression Syntax, Where to use lambda expression, Adopting Patterns like matching, finding and filtering,	
		13-09		Objects and Classes in Python	
	16-21	19-09		Objects and Classes in Python	
		20-09		Objects and Classes in Python	
		20-09		Creating Classes, Creating Instance Objects, Destroying Objects, Overriding Methods	
	23-28	26-09		Creating Classes, Creating Instance Objects, Destroying Objects, Overriding Methods	
		27-09		Inheritance, Multiple Inheritance	
		27-09		Composition	
Oct	30-05	03-10		Aggregation	
		04-10		Super () method and MRO method resolution order	
		04-10		Super () method and MRO method resolution order	
				<u>07/10/2019 2nd Sessional Exam</u>	
	07-12	10-10		<u>2ndSessional Exam Paper solution</u>	
		11-10		File I/O	
		11-10		Printing to the Screen, Reading Keyboard Input, Reading and Writing Files	
	14-19	17-10		Web Development: Django and Flask	
		18-10		Use of Libraries: Numpy, Pandas	
		18-10		Extra Class	
		22/10/2019		<u>3rdSessional Exam Paper & solution</u>
