

CHAROTARUNIVERSITY OF SCIENCE AND TECHNOLOGY
CHANDUBHAI S PATEL INSTITUTE OF TECHNOLOGY
DEPARTMENT OF INFORMATION TECHNOLOGY
ACADEMIC YEAR: 2019-20
Lesson Planning

Name of Teacher: Hemant N Yadav

Date: 24/06/2019

Course code & Name: IT441 – Fundamentals Data Science (7th Sem)

Month	Week	Plan Date	Actual Date	Topics	Remarks
June	24-29	25		Defining data science, Defining data science by its key components	
		26		Defining data science, Defining data science by its key components	
July	01-06	2		Exploring Data Engineering Pipelines and Infrastructure	
		3		Defining big data, Looking at some sources of big data,	
	08-13	9		Boiling Down Data with MapReduce and Hadoop, Identifying Alternative Big Data Solutions	
		10		Boiling Down Data with MapReduce and Hadoop	
	15-20	16		Identifying Alternative Big Data Solutions	
		17		Seeing the benefits of business-centric data science,	
	22-27	23		Incorporating Data-Driven Insights into the Business Process	
		24		Distinguishing Business Intelligence and Data Science	
July-August	29-03	30		Exploring Data Science in Business	
		31		Importance of Pre-processing the Data	
	05-10	6		Importance of Pre-processing the Data	

CHAROTARUNIVERSITY OF SCIENCE AND TECHNOLOGY
CHANDUBHAI S PATEL INSTITUTE OF TECHNOLOGY
DEPARTMENT OF INFORMATION TECHNOLOGY
ACADEMIC YEAR: 2019-20

		7		Data Cleaning	
	12-17	13		Data Cleaning	
		14		Data Integration and Transformation	
	19-24	20		Data Integration and Transformation	
		21		Data Reduction	
	26-31	27		Data Reduction	
		28		Data Discretization and Concept Hierarchy Generation	
September	2-7	3		Data Discretization and Concept Hierarchy Generation	
		4		Perfect type of data visualization	
	9-14	10		Perfect type of data visualization	
		11		Picking the right design style	
	16-21	17		Picking the right design style	
		18		Decision Tree	
	23-28	24		Random Forest	
		25		Evaluating the Accuracy of a Classifier	
September-October	30-05	1		Prediction	
		2		Evaluating the Accuracy of a Classifier	
	7-12	8		Application of data science in the field of Telecommunication	
		9		Application of data science in the field of Energy	
	14-19	15		Application of data science in the field of government	
		16		Application of data science in the field of healthcare
