

CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY

University Examination

Date: 06/06/2018

Day: Wednesday

Time: 10.00 AM to 10.30AM

Total Marks: 20

Student's ID No.									
Student's Name: _____									
Student's Sign : _____									
Supervisor's Name : _____									
Supervisor's Sign: _____									

Answer Sheet for Multiple Choice Questions (MCQs), True or false and Match the following
Examination : MPT- June 2018
Semester: 3
Section : I
Course Code : PT936
Course Name: Advanced Physiotherapeutic I For Paediatrics

Important Instructions:

- There are two sections in the paper. **SECTION – I** contains 20 Questions and **SECTION – II** contains 3 Questions.
- **SECTION – I** should be answered in the question paper itself & **SECTION – II** should be answered in separate answer book.
- Marks on the right side suggest the total marks of that question.
- Maximum time allotted for **SECTION – I** is 30 minutes. Question paper for **SECTION – II** will be given once the **SECTION – I** is completed within the stipulated time and returned. However, Candidates who complete **SECTION – I** earlier than 30 minutes can collect main question paper for **SECTION – II** immediately after handing over the **SECTION – I** question paper with answers.
- **SECTION – I** should be attached with the main answer book at the end of the examination and should be submitted to the supervisor.

SECTION-I

Multiple Choice Questions: (MCQs) (Encircle the correct answer)

(10 × 1 = 10)

1. Which nerve roots affected in Klumpke's palsy?
 - a. C1-2
 - b. C3-4
 - c. C5-6
 - d. C8-T1
