However, candidates who complete Section – I earlier than 30 minutes, can collect Answer Book for Section – II immediately after handing over Section – I question paper.
- Figures on the right indicate marks for each question.

SECTION – I

Q.1 Objective Type Questions:

A) Match the following: (i – vi)

15

06

Q. No.:		Probable Answer Keys		Write Your Answer Here
i.	ABC Analysis	a)	Inventory Value is Zero	i. -
ii.	VED Analysis	b)	Inventory Value is Maximum	ii. -
iii.	GOLF Analysis	c)	Based on Inventory Value of Item	iii. -
iv.	HML Analysis	d)	Based on Criticality of Inventory Item	iv. -
v.	MTO	e)	Based on Source of Inventory Item	v. -
vi.	CTO	f)	Based on Movement of Inventory Item	vi. -
		g)	Produced after Confirmed Order	
		h)	Components are stocked	
		i)	Produced based on Forecasting	
		j)	Seasonal and Off-seasonal Products	

B) Multiple-Choice Questions (vii – ix) (Note: Encircle the correct answer)

03

- vii.** Which of the following statement is not true in the case of goods?
- Tangibility
 - Can be stored
 - Physical Shape
 - Intangibility

- viii.** Which of the following is not an objective of operations management?
- a) Customer Satisfaction
 - b) Timeliness
 - c) Profitability
 - d) None of above

BM204 OPERATIONS MANAGEMENT (OLD)
BM204.1 OPERATIONS MANAGEMENT (NEW)

Date: 29/03/2018, Thursday

Time: 02.00 PM to 04.30 PM

Total Marks: 55

Note: - (i) All questions are compulsory.

(ii) This is a closed book examination.

(iii) There are two sections in the question paper. **Section – I** contains Q. No.: 1 of 15 marks and **Section – II** contains total five questions where in Q. No.: 2 to 5 are of 10 marks each and Q. 6 is a Case study of 15 marks.

(iv) **Section – I** should be answered in the given question paper and **Section – II** should be answered in a separate answer book.

(v) Maximum time allotted for **Section – II** is 150 minutes.

(vi) Figures on the right indicate marks for each question.

SECTION – II

Q.2 “Operations Management plays a crucial role in managing the organization.” Explain the statement in the light of importance of operations management in an organization. Also, discuss any three critical operational management activities. **10**

OR

Q.2 Differentiate the operations management in case of an Airline and Education Institute. List down all the possible activities to be performed in both the case. Also, explain the performance criteria in both the cases to measure operations management. **10**

Q.3 a Explain the meaning of following with suitable examples: **05 10**
i. Economic Order Quantity
ii. Ordering Cost
iii. Inventory Holding Cost
iv. Reorder Point
v. MTS
b Derive the equation for Economic Order Quantity (EOQ). Also state the basic assumptions of the model. **05**

Q.4 “Plant Layout is a strategic decision.” Elaborate the statement with help of examples. Also discuss any two type of plant layout with their advantages and dis-advantages. **10**

OR

Q.4 “Proper Line Balancing can result into huge savings for an organization.” Discuss the statement in the light of meaning of line balancing. Methods to do line balancing with suitable data. Also state the advantages to firm due to proper line balancing.

Q.5 “Sampling plays a very crucial role in determining the defects in a lot.” Explain the given statement in the light of meaning of sampling with advantages and dis-advantages. Also, discuss the conditions where sampling cannot be performed. Discuss any two types of sampling in detail. **10**

A project has the following activities and precedence relationship given in Table – I.

Table - I

Activity	Predecessor Activity	Time (Hour)
B	-	5
M	B	4
N	B	9
Q	B	15
A	M,N	1
F	N,Q	4
X	Q	9
C	Q	9
Y	A,F,X	9
S	F	6
J	X,F	5
T	C	10
V	Y,S	5
U	V,T,J	10

Draw the network diagram and find the critical path.
