3 Academic Life

CHARUSAT wants all students to achieve their highest academic potential and makes faculty and academic support resources available to assist each student in meeting his/her academic goals.

☛ **Teacher**

Students needing assistance with a specific course should first seek the help of the teacher. Maintaining continued contact with a teacher and staying informed of academic status in a course is recommended.

☛ **Counselor**

Each student has a counselor who is knowledgeable about the course the student is pursuing and available to help the student to any academic issue. In addition, the counselor is available to counsel students on all matters related to being a university student as well as on life issues.

☛ **Libraries, Laboratories and Workshops**

The university has established libraries, laboratories and workshops for an interactive and engaging learning experience.

☛ **Attendance Policy**

Every institute of CHARUSAT has its own attendance policy; students are required to fulfill the criteria of attendance. Students are required to understand and follow the attendance policy of their institute.

☛ **Training and Placement Services**

Training and Placement Services at CHARUSAT offers counseling on the choice of a course based on a student's abilities and career interests, as well as networking opportunities with recruiters for potential employment.

4 Academic Integrity

CHARUSAT strongly recommends honesty and integrity in all academic work.

Academic Integrity is an ethical practice that means students are achieving academic success fairly. It suggests that all results that are achieved are earned honestly.

Your education is an investment; not maintaining academic integrity may devalue your education, which affects the worth of your degree. Academic Integrity is essential for any society, as people citizens need to trust that who are in positions of authority have earned their credentials rightfully.

Students are expected to exhibit integrity by being truthful about their own academic work and properly acknowledging sources of ideas and information.

➤ **Academic dishonesty in any form is not tolerated**

Academic Dishonesty Includes:

- Assignment, such as requesting or accepting answers on a quiz or test from another student who has already taken it,
- Discussing test information to any extent with other students, transmitting quizzes or tests or answers to quizzes or tests electronically to other students via cellphone, email, etc.
- Including turning in someone's work as one's own (another student's, a purchased paper from an online source, etc.)

➤ **Plagiarism is another form of cheating and academic dishonesty. Intentional or unintentional plagiarism is an offense**

Plagiarism includes:

- Use to any degree of the ideas or words of one's source material without proper acknowledgement. Plagiarism typically takes two forms:
- Failure to acknowledge the use of an author's ideas or organization by footnote or identification of the source in the text of the paper.
- Incomplete paraphrase (mere rearrangement of syntax and substitution of synonyms for the author's words) is plagiarism.
- Failure to acknowledge the use of an author's words by quotation marks, as well as by footnote or identification in the text.
- You may consult your teacher or counselor to know more on how to avoid academic dishonesty, plagiarism and maintain academic integrity.
